

Ordering Through VisionWeb for Fait Optics

1. Log in to VisionWeb, and select the category “Lenses” from the Supplier Details section.
2. Choose “Fait Optics” from the Supplier dropdown. The location will automatically populate.
3. Select a contact person and enter the required contact information fields.
4. Enter your Fait account number in both the Billing and Shipping Account Number fields.
5. Submit the request. Fait Optics will promptly review and validate your account.

Pair 50 / Warranty Remake Instructions

- For a Pair 50 request: Enter “Pair 50” in the Treatment comments to Lab field.
- For a warranty remake: Enter “warranty remake” in the Treatment comments to Lab field.
